42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

18. Congress explicitly stated that the purpose of the ADA was to:

- (xi) Near Unit 5757, due to the presence of a telephone booth and the proximity of the ramp, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by section 403.5.1 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property.
- (xii) Inside Happy Food Mart, there are sales and services counters lacking any portion of the counter that has a maximum height of 36 (thirty-six) inches from the finished floor in violation of section 904.4 of the 2010 ADAAG standards, all portions of the sales and service counter exceed 36 (thirty-six) inches in height from the finished floor. - (v) Restrooms have a sink with inadequate knee and toe clearance, due to the placement of a support bar which blocks knee and toe clearance, in violation of section 306 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (vi) The lavatories and/or sinks in the restrooms have exposed pipes and surfaces and are not insulated or configured to protect against contact in violation of section 606.5 of the 2010 ADAAG standards.
